BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

IMPORTANT

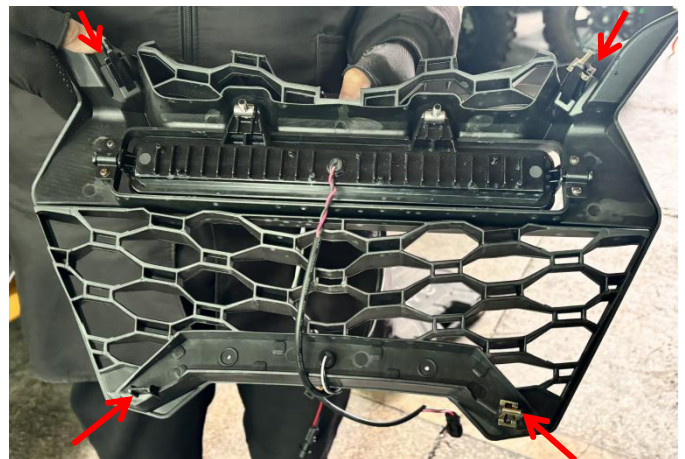

This MESH GRILL WITH LED LIGHT is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Product image.

3. Remove the original mesh grill from the vehicle and transfer the steel clips from the mesh grill to the new mesh grill in their original position (you can also use the steel clips that come with the new mesh grill).

4. Use the adapter cable for the new mesh grill, pull the adapter cable from the mesh grill to the headlights and daytime running lights through the gap under the vehicle, connect the adapter cable for the mesh grill spotlights to the headlight harness plug-in, connect the adapter cable for the daytime running lights on the mesh grill to the original daytime running light harness plug-in, and then finally install the new mesh grill to the vehicle.
