

# Cup Holder for Honda Pioneer 1000

SAUTVS®

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

This *Cup Holder* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

## PRODUCT AND ACCESSORIES

## INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Place the cup holder bracket in a suitable position below the instrument panel. Then, drill four 3.2mm mounting holes on the instrument panel according to the hole positions of the bracket, as shown:

3. Secure the cup holder bracket under the instrument panel using four self-tapping screws. Then, attach the cup holder to the bracket to complete the installation.

**Note:** Please refer to the installation video in the Amazon listing before your installation, or contact the seller for the installation video.
