

# Under Seat Storage Box for Honda Pioneer 700

SAUTVS®

ZP-YJ-030908-030

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

This *under seat storage box* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

## PRODUCT

## INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. First, remove the driver's seat cushion and then take off the cover under the driver's seat. As shown in the figure:

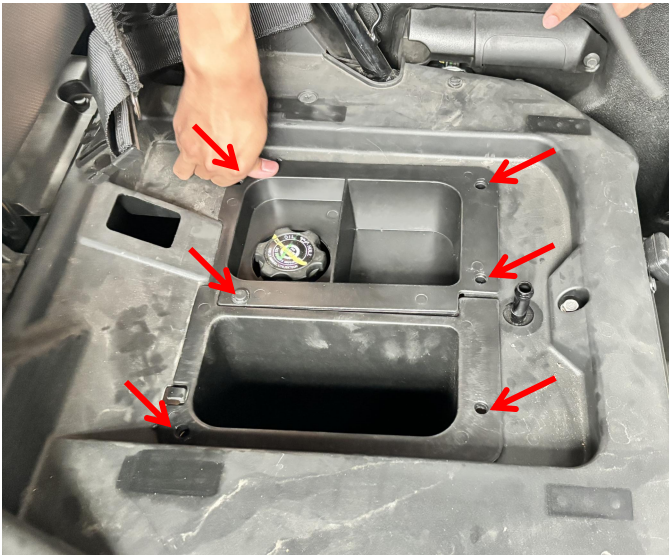

3. First install the large storage box, and then install the small one. Then, use an 8MM drill bit to drill holes on the vehicle according to the corresponding positions of the fixed holes on the storage box. Finally, fix it with the nylon clips that come with the product. As shown in the figure:
