

# Front Bumper for E-Z-GO RXV Golf Cart

ZP-YJ-041306-001

SAUTVS®

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

This *front bumper* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

## PRODUCT AND ACCESSORIES

end of part 1 using two M8\*45 Allen screws and two M8 lock nuts.

## INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Assemble the four sleeves (part 4) and part 1 with four M8\*45 hex socket screws and four M8 lock nuts, as shown in the picture:

3. Assemble part 3L and part 3R to the lower left and right ends of part 1 using two M8\*45 Allen screws and two M8 lock nuts, as shown in the figure. Then, assemble part 2 to the lower

4. Assemble part 5 and part 1 through four sleeves (part 6) using eight M8\*50 hex socket screws and eight M8 lock nuts, and then tighten all the screws and nuts. Then install the cover plate part 7 onto the front bumper with three M6\*16 hex socket screws, three M6 lock nuts and three M6 flat washers, as shown in the figure:

5. Remove the two nuts that connect the plastic part at the lower end of the golf cart and take off the plastic part.
