

Front Storage Rack Latch for Polaris Sportsman 500

SAUTVS®

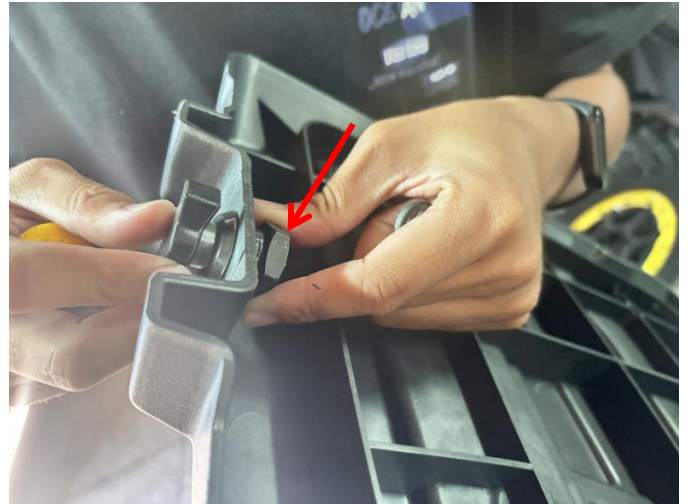

ZP-YJ-030503-198

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

This *Front Storage Rack Latch* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

PRODUCT

INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Remove the original lock latch on the vehicle. First, unscrew the self-tapping screw that fixes the lock latch and take off the hook. Then, unscrew the plastic nut, and the lock latch can be removed. Finally, replace and install the new lock latch according to the way of disassembly. As shown in the figure:

NOTE: When installing the hook, the limit points on the hook need to be inserted into the grooves on the lock.
