INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. First, remove the fixing screws of the door storage net inside the vehicle. Then, place the pockets on the original storage net and put the screws just removed back to their original positions and tighten. (The other several door storage boxes should be installed in the same way.) As shown in the figure:

Note: Please refer to the installation video in the Amazon listing before your installation, or contact the seller for the installation video.
