## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

This *side mirror* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

## PRODUCT AND ACCESSORIES

## INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. First, remove the original fixing screws at the A-pillar of the vehicle. Then, insert the bracket that comes with the side mirror onto the screws. Next, reinstall the screws in their original positions and tighten the nuts. As shown in the figure:

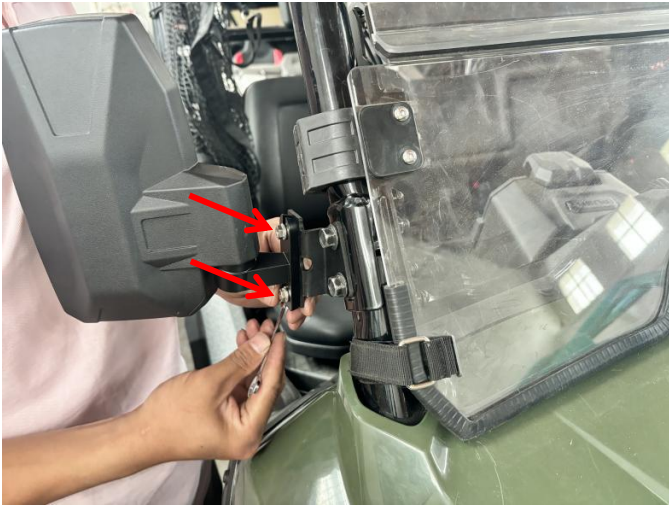

3. Use the screws and nuts in the package to fix the side mirror onto the bracket (Install the other side in the same way). As shown in the figure:
