SAUTVS

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

The *Intake Covers* are exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK".

Turn key to "OFF" position and remove from vehicle.

Product picture

1. Align the protection cover with the filter screen, and then install the protection cover on the frame of the filter screen with six self-tapping screws of 4*12, as shown in the picture:

2. Install the other side in the same way, and then the installation is completed.

Note: Please refer to the installation video in the Amazon listing before your installation, or contact the seller for the installation video.
