

Air Intake Covers for Kawasaki Teryx KRX 1000

ZP-YJ-031003-019

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

These air intake covers are exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

Product and accessories picture:

1. Remove the plastic screws of the original intake filter screens on both sides. As shown in picture:

2. Install the air intake cover onto the filter screen using the removed plastic screws. As shown in picture:
