

Scuff Guard for Club Car DS

ZP-YJ-041903-002

SAUTVS®

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

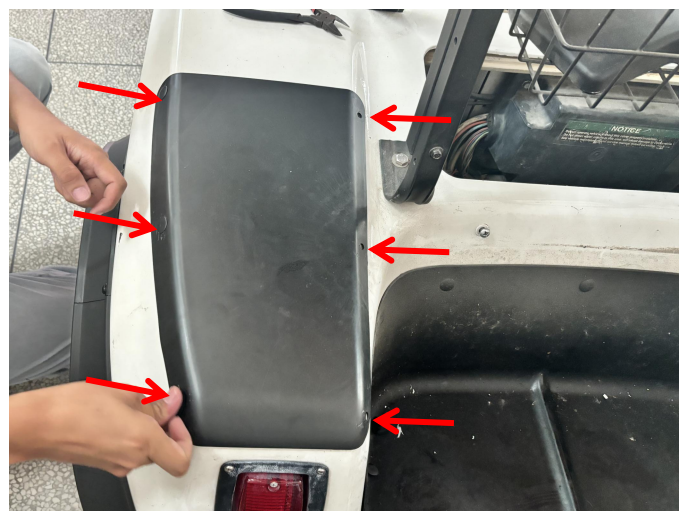

This *scuff guard* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

PRODUCT

INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. First, remove the original pad from the vehicle, then replace and install the new pad, securing it with the provided nylon fasteners. (The other side should be replaced and installed in the same manner.) As shown in the figure.
