

Under Dash Speaker Pod Brackets for Yamaha G29

SAUTVS

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

This *Under Dash Speaker Pod Brackets* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

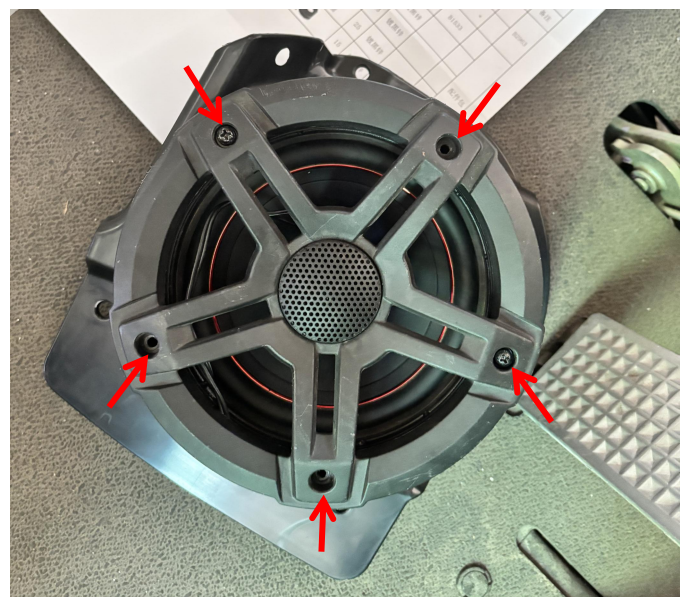

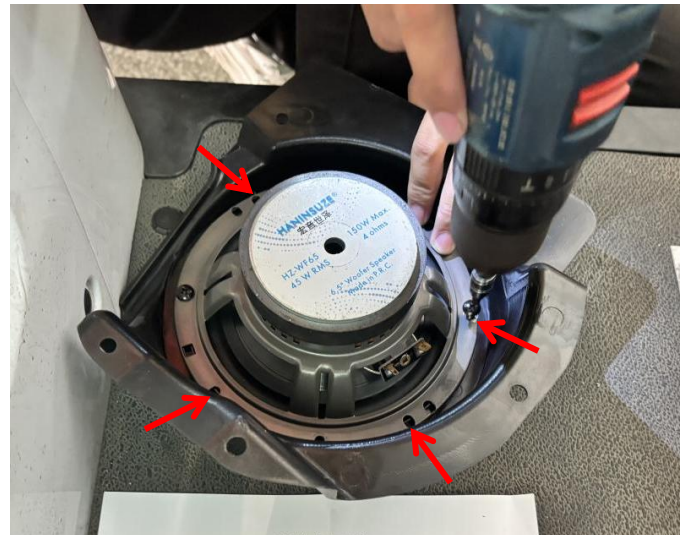

PRODUCT

- (1) This product does not include audio speakers.
- (2) Compatible with 6.5-inch speakers.

INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Secure your speaker to the bracket using M4*16 self-tapping screws and flat washers, then attach the speaker surface frame to the bracket using M4*20 self-tapping screws and flat washers. As shown in the figure:

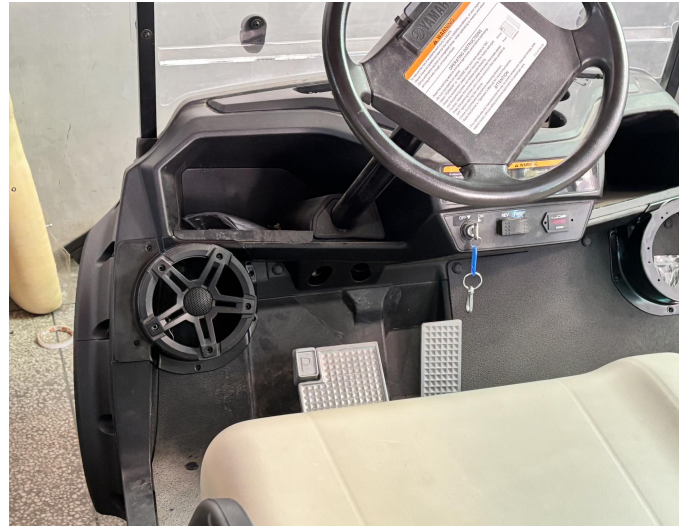

3. Install the speaker bracket under the vehicle dashboard and secure it using M5*20 self-tapping screws and flat washers. (Install the other side in the same manner). As shown in the figure:

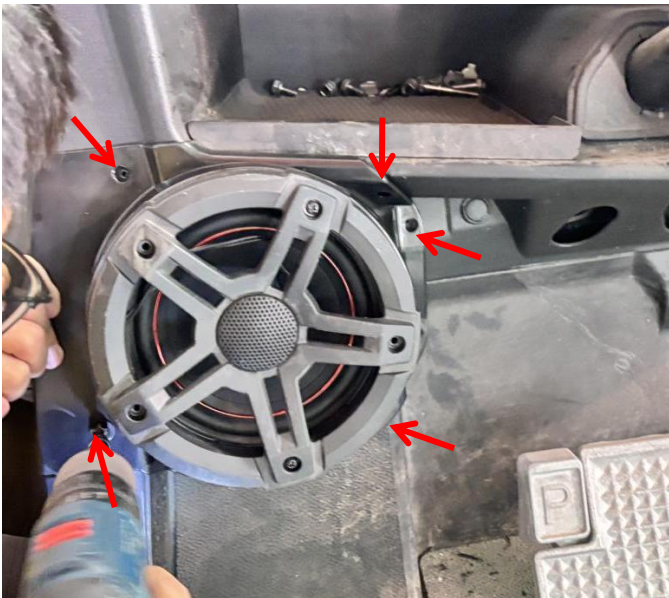

Note: Before securing with screws, you may first use a 3MM drill bit to pre-drill holes according to the screw positions on the speaker bracket, which will make the subsequent screwing process much easier.
