

Roof Speakers Pod Enclosure for CFMOTO UFORCE 1000

ZP-YJ-031005-023

SAUTVS®

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

This *Roof Speakers Pod Enclosure* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

PRODUCT

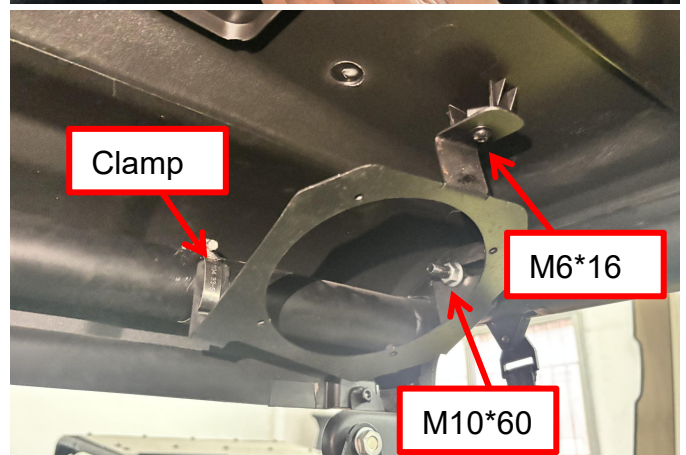

1. This product does not include speakers.
2. This product is compatible with 6.5-inch speakers.

INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. First, place the steel clip on the vehicle roof, then remove one screw from the roof support bar. As shown in the illustration:

3. Install the bracket onto the roof using the provided clamps, securing it with M6*16 and M10*60 screws and nuts. As shown in the illustration:
