

# Floormat Retainer Side Panel for Club Car Tempo

SAUTV5

YAP-041903-019

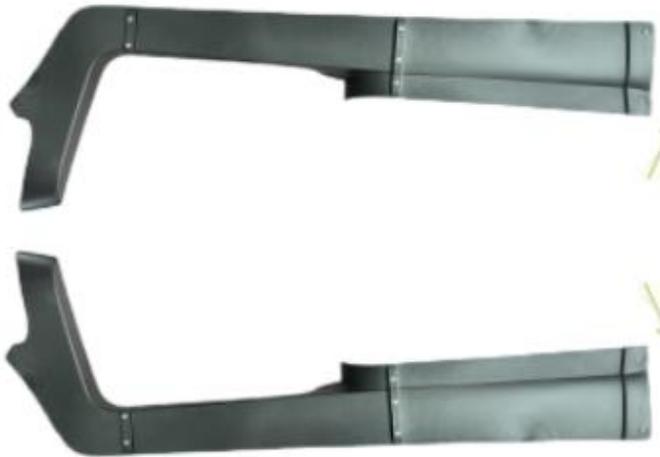

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

This *side panel* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

**Note:** Please refer to the installation video in the Amazon listing before your installation, or contact the seller for the installation video.

## PRODUCT

## INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Assemble the split side panels into a complete unit using the provided screws and nuts. As shown:

3. Remove the original side panels. As shown:

4. Transfer the steel clips from the original side panel to the new one in their original positions, then install the new side panel back onto the golf cart and secure it with the original screws (repeat the same process for the other side). As shown:

Note: During installation, first insert the steel clips into the corresponding slots on the original panels, then proceed with screw fastening.

5. The installation is complete.
