

Combined Plastic Rear Bumper for Polaris RZR XP 1000 2019-2023

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

The *Plastic Rear Bumper* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

Product picture

1. First, use the self-tapping screws provided with the product to assemble the split rear bumper into a complete unit. As the picture shows:

2. Remove the original rear bumper from the vehicle. As the picture shows:
