

# Rear Seat Under Seat Storage Box for Polaris Xpedition ADV 5 2024+

ZP-YJ-030508-036

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

## IMPORTANT

The *Rear Seat Under Seat Storage Box* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

## INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

Product picture

1. Use the screws and nuts provided with the product to assemble the split storage box into a complete unit. As shown in the figure:

**Note:** When assembling the upper and lower parts, ensure the direction is correct. The screw holes at the bottom of the lower part storage box should face the lower edge of the upper part storage box.

2. Lift the rear seat of the original vehicle, remove the screws at the position where the storage box is installed on the floor, then place the storage box and screw the screws back into place. As shown in the figure:

ZP-YJ-030508-036

**Note:** There are four screws at the bottom, and you can choose to install the box on the left or right side.

3. The Installation is complete!

**Note:** Please refer to the installation video in the Amazon listing before your installation, or contact the seller for the installation video.
