

LED Accent Light Kit for Polaris Ranger 1000/XP 1000/Crew 2018+

YAP-030502-079

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

The *LED Accent Light Kit* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

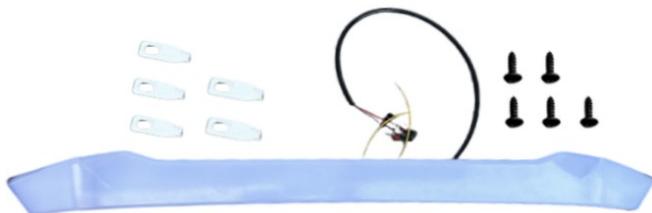

Note: Please refer to the installation video in the Amazon listing before your installation, or contact the seller for the installation video.

INSTALLATION INSTRUCTIONS

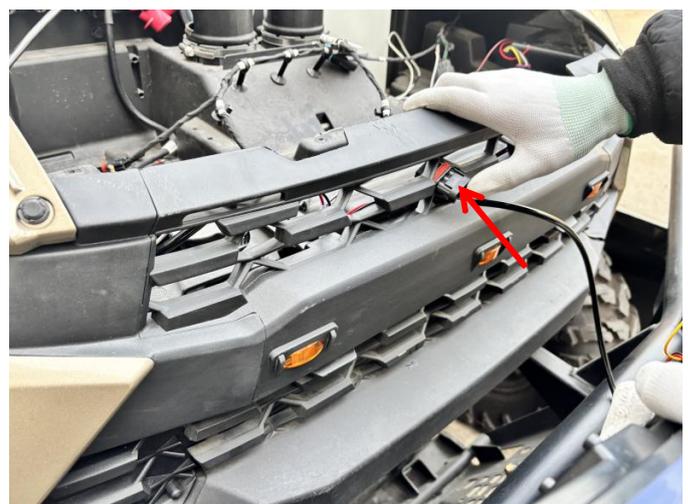

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

Product picture

(**Note:** This product features a turn signal function and can be connected as needed.)

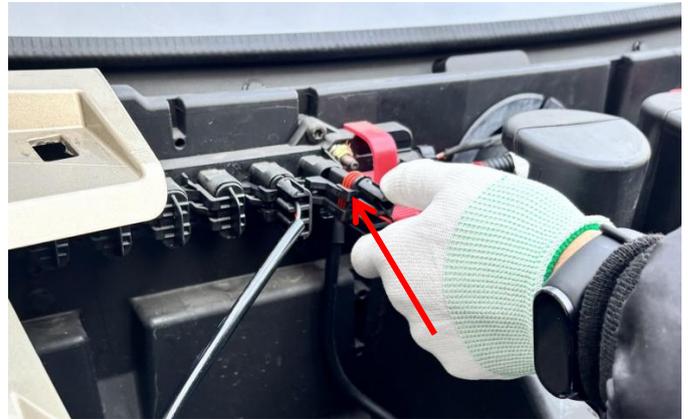

1. First, open the original hood. Route the wiring harness of the accent light through the original grille and adjust the accent light to the proper position. Then, use the provided self-tapping screws and hook brackets to secure it from the back. Finally, connect the accent light wiring harness plug to the corresponding extension plug of the original vehicle. As shown in the picture:
