

Metal Mesh Grille for Polaris RZR PRO 2025+

YAP-030503-0258

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

This *Mesh Grille* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

Product picture and accessories

1. Use two M4*12 hex socket screws and two M4 lock nuts to install the letter R onto the mesh panel.

2. Turn the plastic knobs to remove the original vehicle's plastic grille.

3. Remove the two knobs from the original plastic grille.
