

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

This *Fuse Box Cover* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

**Note:** Please refer to the installation video in the Amazon listing before your installation, or contact the seller for the installation video.

## PRODUCT

## INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. First, open the front storage box cover, locate the fuse battery box, remove the cover, and replace it with the new protective cover. Finally, close the storage box lid. As shown:

3. The installation is complete.
