

Under Hood Storage Tray for Honda Pioneer 520

SAUTVS

YAP-030908-032

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

This *Under Hood Storage Tray* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

Note: Please refer to the installation video in the Amazon listing before your installation, or contact the seller for the installation video.

PRODUCT

INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. Use the provided screws and nuts to connect the separate storage box parts together, assembling them into a complete unit. Then, attach the included sealing strips around the edges of the storage box. As shown:
