

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted. Please retain these installation instructions for future reference.

This *Seat Back Cap* is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

Note: Please refer to the installation video in the Amazon listing before your installation, or contact the seller for the installation video.

PRODUCT

INSTALLATION INSTRUCTIONS

1. Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.
2. First assemble the split seat back cover into a complete unit using the product's screws, nuts, and clamp plate screws and nuts. As shown:

3. Remove the original seat back cap, detach the back cover, and replace it with the new one. Secure it using the self-tapping screws provided. As shown:

Seat Back Cap for E-Z-GO TXT

5. The installation is complete!

4. Reinstall the seat back with the new cover onto the original vehicle, and secure it using the original screws. As shown:
