

Under Dash Speaker Pods for Ranger XP 1000 2025

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

The *Speaker Pods* are exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris. For your safety, and to ensure a satisfactory installation, perform all installation steps correctly in the sequence shown.

Note: Please refer to the installation video in the Amazon listing before your installation, or contact the seller for the installation video.

INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into “PARK”. Turn key to “OFF” position and remove from vehicle.

Product and accessories picture:

No.	Item	Quantity
1	Speaker Pod L	1
2	Speaker Pod R	1
3	Self-tapping Screws 4*16	8
4	Self-tapping Screws 5*25	10

1. First, install the prepared speaker onto the speaker pod, and secure it using 4*16 self-tapping screws as shown in Figure 1-2:

2. First, remove the guard net of the storage compartment under the original vehicle's dashboard as shown in Figure 1-2. Then, place the speaker pod in the corresponding position and secure it using the included 5*25 self-tapping screws as shown in Figure 3. Install the other speaker pod in the same manner.

Note: Before installing the speaker pods, the vehicle owner should connect the speaker wiring harness in advance.
